

A Special Invitation to Families with Children and Youth!

If you are part of a family with children and youth, you have come to the right place! We are ready and set to help you and your children to grow in your faith! We don't claim to have special knowledge of the "secrets to spiritual success"! What we do offer is a safe environment for children and youth, and a regular schedule of meaningful opportunities when you can practice your faith with other adults, youth and children who are committed to sharing this journey!

We send out a weekly email update that includes upcoming events for Children, Youth, and their families. To be included on that email, or if you have any questions about upcoming opportunities for children and youth, please email our parish administrator at parishadministrator@stpetersgreenvillesc.net or call the parish office at 268-7280 for more information. We hope you will join us soon. You are welcome at St. Peter's anytime!
