The purpose of these minutes is to recap decisions made in the initial business session of the Retreat. Father Furman+ opened the meeting with prayer at 12:05 PM.

April Purvis made a motion to increase the Parish Palooza budget by \$500 to allow for an additional number of attendees to be included in the head count for the Henry's BBQ lunch. The motion was seconded by Malissa Hawkins. After discussion, the motion passed.

Malissa had done research on funding of curriculum materials needed for the Discovery Disciples (K, 1st, 2nd grades) Sunday school class. This is part of the Christian Formation budget. Malissa made a motion to approve expenses of \$800 for this class. Dot Closs seconded the motion. A vote was taken, and the motion passed.

There was discussion on repairs to the parking lot. Brock Vaughn made a motion which was seconded by April to approve up to \$2,000 to fill up the holes in the back parking lot where the portable was located and restripe the parking lot to include directional arrows. We will not use a seal coat at this time. The motion carried.

There was much discussion on the proposed investment in Stockstill Hall. Brock provided a slide that contained three components of maintenance and modernization, and expansion. It is noted that this investment will be voted upon in our next regular Vestry Meeting which is scheduled for April 4, 2022.

Father Furman+ noted that an Organ Replacement Task Force has been formed and includes: Brock Vaughn, Jason Cheek, Mary Ann Whiten, Kyle Conger and Craig Piepho. The Task Force will meet on April 10 to begin work on developing a recommendation for Vestry on organ replacement.
